WELCOME TO OUR Letters to Santa SUPPLEMENT

Our 2024 Letters to Santa insert is filled with the Christmas wish lists of area 3rd Grade school students.

While we invited all area schools to participate, some have declined or were unable to meet our deadlines.

We want to thank our advertisers for their participation, allowing us to continue this fun and very meaningful tab. Please support your local retailers as we enjoy this special holiday season.

The letters are published as written — we did not edit for content, spelling or grammar. You even get to see the youngster's handwriting.

Because student letter-writers are young (third-grade), you may need your imagination to decipher some of the letters.

We hope you will enjoy this keepsake edition. We're sure it will provide entertaining reading over the holidays.

From all of us at Free Press Publishing, have a very Merry Christmas!
